### The National Seminar:

Teacher Education means Programme of Education, research or Training of persons for equipping them to teach Pre-primary, Primary, Secondary and Senior Secondary stages in schools includes non-formal education, part time education, adult education and correspondence education.

The teacher education programmes shall focus on competencies and commitment in much greater magnitude in future.

Teacher Education Programmes are expected to provide some "training"

Not only in pedagogy but also in behavioral attributes including attitudes, motivation, perception, preferences, appreciations and value orientation.

The National Council of Teacher Education (NCTE) was established by the GOI on August, 17, 1995 as an apex organization responsible for the regulatory as well as Professional aspects of Teacher Education. The major functions of the Council are: developing norms for various teacher education courses, recognition of teacher education institutions. On the other hand NCTE which statutory body looking after the teacher education its norms and standards, rules and regulations has notified new regulation on 28<sup>th</sup> Nov., 2014 for various Teacher Education Programmes as specified in appendix 1 to 15 and also specified in appendix 16 & 17 New Pattern of four years integrated Teacher Education Programme on 20<sup>th</sup> Nov., 2018 which has been widely accepted and criticized among the scholars.

### We are:
